

CHRD-Nirmaana Students Club

Inspired by the vision of the Centre for Human Resource Development (CHRD) of SHUATS some of the highly motivated students of the University have taken the lead and started a students' club named '**Nirmaana**' under CHRD to achieve the goals of CHRD. The main objective of the club is to develop leadership qualities among students and create selfless Godly leaders, making them competitive and employable in India and abroad. With a tagline of **Adding extra to the ordinary**, Nirmaana is successfully fulfilling its objectives in the past few semesters as a team under CHRD as listed below.

- Nirmaana has formed separate subcommittees responsible for facilitating specific training programs for UPSC, GATE, CAT, JRF, etc. with the active participation and involvement of the students.
- Appointed students' representatives in all classes of the University, who are committed to taking an active role in coordinating the students of their respective classes and with CHRD for conducting training programs, workshops, seminars, etc. most efficiently and effectively.
- Several seminars, workshops, webinars, and zoom meetings led by reputed speakers and training organizations, and various competitions are being organized by the club in association with CHRD.
- In a very short period, the team has successfully organized various social and skillful events like Ikhtiyar, Student of the Year, etc. Thousands of students of SHUATS have participated in these programs which helped the overall personality development of the students.
- Awarded certificates to all successful participants signed by the Director and Secretary of CHRD that have added value for job placements and getting admissions in prestigious institutions in India and abroad helped them to achieve success in their careers.
- Along with academic events, the club has also focused to help needy and poor people around with various means.

The club is looking for recruiting a potential, enthusiastic and dedicated team of students from the first and second years of all Undergraduate programs of our University representing every state to join hands with the team to realize the visions of the club. All motivated students are requested to register themselves in the link given below.
